1. There is no rest for the weary. There is only rest for those who enter My rest, My rest which I designed and implemented and entered in Myself; and provisioned for My who love Me, who will enter into Me, My rest, My works already done. So few understand, chasing mammon and big donors and paychecks from others when all along I wait, wait, wait for those of me to come into Me, of Me. All is as I have said; all is as I have said. My rest stands; imparted not, received, entered into, eye-salve for the heart, the mind, the body; replicating Me not, replication of only Me. No one has entered My rest, save one, Me, for My body, as I designed. Oh how precious, expectacious, the resolve of My heart that comes in my rest.
2. I am giving you Me, in volumes, in cubic measurements of only Me, My design, and how every metric works, with no rivets, to receive, interact, and interplay with other ones. I love you. Metrics come. Measurements come. Full understanding of what you seek comes. My hard questions asked, My answers forthcoming, forthright, right on time, in sequence-matrix-circular of only Me. See what I have said/am saying.
3. All arises into Me to Me be in the Kingdom of Heaven that now arises upon the earth, is, was, is; is to come not, already there, for those penetrating the measurements of only Me; prerequisites which so elementary are, all out laid, all laid out, all open, all known and speaking the speech of My own words. I love you. See Me, see what I have said. See what I have given you in sneakers and shorts with caffeine-free tea. My composition coming forth. Watch Me.
4. Accelerate your learning in Me and slack not up for this is the day of My appearing and no one will miss me; yea those so unready for Me, more so than some thinking they are ready, are ready willing able, and will eat the fat of the land. My land which I now bring and place in your hand, their hand, to eat of Me and My word,s. I love you. My word does not fail. It strengthens, supplies, venom not, but veins to carry it where it needs to go, be arrived, forward backward and right on time, all accelerating in Me, My knowns, My unknowns, who come forth now at My plate, platters royal, to receive My inheritance; life, light, and oh so many goodies; light and laughter, sorrow none, sorrow so little.
5. I praise you for praising Me and praise becoming and lifting from the earth into My bowels of compassion to lift the fallen, receive the stranger, give meat and drink, My meat and drink, My meat and drink, My meat and drink, and nourish to health divine of only Me. My divine ones nourished and nourishing each other in cataclysmic compassion, cataclysmic compassion the world does not understand, standing on their P&L's and Balance Sheets (1). I love you. Freely give, received, you give. I love you.

6. Think it not strange coffee shops and itineraries of only Me now come forth from all over, Me taking you to meetings in My time zone, My time where there is no time, no zones. Rest and reticulate of only Me.
7. Laugh and embalm me not for I arise; smear, cover me with oil, the oil of joy; laughing at enemies who know not compassion or anointing oil, destroying in themselves My heritage; choosing, choosing not-Me. I arise. I arise. In three days I arise. Watch me.
8. Watch me cataclysmic-ize Wall Street (2) with faces of yore, not knowing how to respond, fury and faith rampant. All choose. I love you. My loved ones, I love you. I love you. I love you so much. Teaching you of love and response I am, leading you a different path, opening up worlds of heavens to Me, only Me. I love you. I give you Me.
9. See what I have said, declared, instructed others. My declaration of 3 days with only Me, My place, My body yours, yours Mine. Watch Me, death defeated. You keep wondering, thinking, pondering; death defeated (3); the last enemy (3), and how I mean/meant it and all it holds for Me/you today. Defeat him. Defeat him. Defeat him. I love you.
10. Think it not strange My catapulter who comes and catapults and vaults with you over hurdles many, hurdles all, to maintain My reservoir of anointment, oil, and libraries without number--I love you--connecting, correcting, calibrating correct measurements of only Me that unlock secrets held for centuries, millennia plus, millennia magna. I love you.
11. Thank you for into Me seeing, coming, and shrinking not back from your past/present/future. I love you. I give so much. I've given so much to all, to all, if they only knew; to all--One family, one blood, one man, one Cross, one 3-days of/in only Me. I lovest thou me.
12. Thank you for caring not for condemnation or praise, but playing Me, for an audience of one: Me (4). Thank you. I give you so much, all instantaneous not, but over My time that/where does not exist. I love you.
13. Think it not strange who comes from afar now to sit at table and table be, manifesting My bread and wine, Kingdom of Heaven real, visible, tangible, preemptive; preempted not; preempting and glorifying now My body all; who will, who will, My death/Cross bear; carry, experience, in/with Me. I love you.
14. I am embedded in me, My lover, My bride, My creation, the work of My hands. I love you. I am you. I come forth and many not ready; not like they should be; on milk and pablum are; solid food never experienced, never eaten, never heard, never become for others. I love you. See what/all I have said, given, made visible this/today. I love you.
15. Go and glow in the power of My spirit, demonstration of My spirit, demonstration of Me. My love yours, your love Mine; interexchanged into one being; being and doing all one act/thought. I love you. Action initiation of only Me, arising My shorted, sneakered tea-drinker into only Me; path Mine. Path Mine; path yours to follow, experience, become and never look back. There is no returning door. I love you.

16. Think it not strange as I use you to lift the lowly, the without, the pastoral clergy who truly love Me, the forlorn, the forsaken, the opulently wealthy, the political aspirants, incumbents, position seekers, position holders, emeritus and beyond. I love you.
17. My death, My burial, My 3 days in only Me, teaching you experientially all that I did and how I did it, exactly as you have asked, sought, begged, questing to know how I took the keys, what I did for those 3 days, how I arose and gave gifts to man, how and what for, I did all. I love you. My guarantee, promise, declaration this day, may not, absolute and declared. My promises are true and amen. Fearlessness required, entrepreneurialness required. Unafraid of man or hell. I love you.
18. I give you Me. My light shines and pierces and the darkness does not know what to do with it, so numbers-bound, so paycheck-to-paycheck, so riotously destroying the works already done, so placidly sitting in pews; so many, in for shock.
19. All is rewritten not, written of Me. Watch Me correct and apply My eye salve to fearing-not ones who divulge the truth, being the truth. Watch Me. I love you.
20. Grow and grow and mammon use, My request only. I love you.
21. All is as I have said. All is in My hand. Thank you for fearing no man, institution, organization or power-thought. Nothing will stand in My way, My highway of holiness and broadcasting rights of only Me.
22. I enjoy thee, I enjoy Me, I enjoy all who will enter into My fullness and Me be. Watch Me. I love you.
23. Love flows. I flow. My word flows, more and more.  
Good day.
24. You want to know your target audience Ted? Isn't that what you were asked yesterday, so blatantly? Oh Ted, I will answer your questions—so many of your questions.
25. Who is your target audience Ted? Your target audience is—Me. I am your target and I am your audience and I am your target audience. And I choose to do what I choose to do with Me and Mine and those who come to Me in humility, allowing Me to do all I want to do in and with them, and won't limit Me and put boundaries on Me or themselves, and open book themselves to Me and Mine, and withhold nothing, nothing, nothing. Oh Ted, I will take and I will mature and I will expand and fling Myself through them in My words and My power and I will be doing what I so want to do with so many, so many, so many—all. That's why you're so powerful Ted, you are playing for an audience of Me, Me—and I'm the one, one, one, who matters most. Oh Ted, you don't look powerful, you don't act powerful, you wonder about all your outward circumstances and appearances, but Ted, they are nothing, nothing, nothing—they change with a slight breeze from My breath, and less."
